**Functional Rehab

**Mastering Drop Table Adjustive Techniques: EX: foot/ankle, legs, knees, Hips, pelvis, ribs and shoulder girdle, elbows, wrists, hands, Cervical Spine, TMJ, Occiput/Atlas.

ASSISTANT SPEAKER

(6 HOURS CONTINUING EDUCATION)

ESSENTIAL COMMUNICATION FOR THE CA

DR. MARIO FUCINARI

This course empowers chiropractic assistants and practice managers with the critical procedures and communications needed to excel in patient interactions, billing, collections, and compliance. This class goes beyond the basics by teaching you how to effectively share the “Chiropractic Story” with patients, fostering a clear understanding of chiropractic principles and the value of care, while taking care of the “business” of chiropractic. By the end of this course, you will be able to communicate confidently and professionally, ensuring both patient satisfaction and office efficiency. **Sponsored by ChiroHealthUSA.**
